IMPORTANT BUSINESS TO BE DISCUSSED IN INDIANAPOLIS

To the present two categories of paying membership in the AATI (Life Membership $25.00 and Annual Membership $2.00), it is proposed to add a Sustaining Membership ($5.00 annually) and a Retiring Life Membership ($5.00). The Sustaining Membership has been devised to afford the opportunity to those who wish to and can afford it, to contribute to the enlargement and improvement of *Italica* in order that our publication may compensate somewhat for the various Italian periodicals that are suffering from the present war conditions. The Retiring Life Membership is proposed to enable retiring professors, who find it necessary to reduce expenses on account of the reduction in their budgets contingent with their retiring from teaching positions, to continue to receive *Italica*. They would make but one $5.00 payment and would have no further monetary obligations to the Association.
